ESTABLISHED 1972

For over 40 years, The Armour Group Limited has been recognized as one of the leading real estate development companies in Atlantic Canada. The Armour Group is unique in its integration of concept, development, construction and management of all assets internally. These are particularly exciting times at The Armour Group – with a number of new projects on the under development.

The Armour Group Limited is seeking a part-time Residential Leasing Associate to present, market and lease the Residences at Queen's Marque to prospective tenants. The successful candidate must have a flexible schedule and be able to work evenings and weekends as required.

Our ideal candidate has strong working knowledge of the Residential Tenancies Act and experience negotiating residential leasing agreements, including fixed term agreements. They have a passion and enthusiasm for working with people and a savvy for the luxury lifestyle that the Residences at Queen's Marque will offer. They thrive in an independent working environment yet, are keen to ensure successes and challenges are shared with other members of their team. They will bring a strong attention to detail, ensuring accurate paperwork and proficient record keeping.

If you take pride in your ability to provide exceptional customer service, have prior sales experience in the luxury market and would like to expand your knowledge of high end real estate, this opportunity may be right for you.

We encourage you to apply in confidence via email to humanresources@armourgroup.com with cover letter and resume by August 31st, 2018.

Thank you for your interest. All qualified applicants will be considered; however, only those chosen for an interview will be contacted.

The Armour Group is an equal opportunity employer.
