

ARMOUR GROUP

ESTABLISHED 1972

We are presently seeking an experienced **Construction Superintendent** to add to our team of construction professionals. Our ideal candidate will manage the day to day operation of construction sites, ensuring that the field operations are conducted in a safe and efficient manner. Bringing at least 10 years of relevant experience, and a trade or educational background that supports their work, the successful candidate had a proven record of success as the on-site leader for projects in excess of \$5M.

Our Construction Superintendents are relied on to manage the quality of construction, to ensure onsite manpower requirements are met and to maintain safety responsible workplaces. Their skill as a communicator is supported by their deep knowledge of applicable legislation and Building Code requirements and great comfort reading contract documents, including drawings, specifications, scopes of work and project schedules.

We are seeking an intuitive problem solver, who is capable of quickly identifying problems, their causes and appropriate solutions. They are effective communicators who ensure proactive relationships with clients, sub-trades, consultants and architects. The Armour Group always strives to deliver best in class projects, accordingly our ideal candidate must share our hands on approach and commitment to quality.

As our projects are located through the HRM, the incumbent must possess a valid driver's licence.

The Armour Group offers a competitive compensation package which includes medical/dental benefits, a vehicle allowance, group RRSP and bonus potential.

We appreciate the expression of interest from all applicants, however only those selected to proceed with the recruitment process will be contacted. Please include a statement of expected remuneration and a list of recent projects with your resume. The Armour Group Limited is an equal opportunity employer.
