

ARMOUR GROUP

ESTABLISHED 1972

For over 40 years, The Armour Group Limited has been recognized as one of the leading real estate development companies in Atlantic Canada. The Armour Group is unique in its integration of concept, development, construction and management of all assets internally. These are particularly exciting times at The Armour Group – with a number of new projects on the horizon.

We are seeking a **Commercial Building Operator** to join our growing team. Reporting to a Senior Building Operator, this role will assist in the day-to-day operations and maintenance of Class A commercial office buildings. This position will give the incumbent the opportunity to work with one of the real estate development leaders in the Halifax market.

Building operators respond to tenant requests, participate in property preventative maintenance programs, monitor and investigate utility anomalies, oversee contractors and perform maintenance on HVAC equipment.

The successful candidate will have at least 2 – 5 years experience in commercial office building maintenance or operations with a ticket or certificate in a related technical field. You possess great relationship building skills both with tenants and as part of the Operations Team. You have an eagerness to learn and grow with the company. A working knowledge of Building Automation Systems would be considered an asset.

If you enjoy a challenge and consider yourself a team player, this may be the right opportunity for you. Resumes and cover letters will be accepted in confidence at humanresources@armourgroup.com. Please indicate anticipated salary in your cover letter. We appreciate the interest of all individuals who apply, however, only candidates invited for interviews will be contacted.

The Armour Group is an equal opportunity employer.
