

ARMOUR GROUP

ESTABLISHED 1972

For over 40 years, The Armour Group Limited has been recognized as one of the leading real estate development companies in Atlantic Canada. The Armour Group Limited is unique in its integration of concept, development, construction and management of all assets internally. These are particularly exciting times at The Armour Group Limited – with a number of new projects being undertaken as well as on the horizon.

We are seeking a **Director of Engineering** to join our growing team.

With a P.Eng designation (preferably Mechanical), the Director of Engineering will oversee a growing team of engineering technologists, and work with property managers to guide building operators and maintenance professionals to ensure that all company assets are maintained to the highest standards. They will work closely with our construction and development divisions, providing critical review of building plans and drawings, including the design of plumbing systems, hydronic heating, air conditioning ventilation, cooling systems, natural gas, fire protection and building automation systems. Experience with district energy plants is an asset.

They possess a commitment to quality, both in the projects they manage and in the people they lead, and are comfortable working on a range of projects from preventative maintenance to new construction and major infrastructure renewal. As a conscientious planner, they ensure that projects are delivered on time and on budget – driving a culture of continuous improvement.

Our ideal candidate will possess at least 10 years of relevant experience, at least 5 of which is in a managerial role, and have a track record of success. They have a preference for entrepreneurial work places and require limited supervision.

Resumes and cover letters will be accepted in confidence at **humanresources@armourgroup.com**. Resumes should include a listing of relevant projects. Please indicate anticipated salary in your cover letter. We appreciate the interest of all individuals who apply, however, only candidates invited for interviews will be contacted.

The Armour Group Limited is an equal opportunity employer.
